PERFORMANCE NOTES

"One Million Voices" was inspired by the courage of individuals who are willing to take risks to come forward, speak their truths, and stand up for human rights. This piece may be performed by a choir of any size, but it is particularly effective with a large choir or mass choirs.

Attention to dynamics and balance is important as the melodic lines and especially the text need to be heard clearly above the accompanying "chant" (Sopranos and Altos at m. 13, Tenors and Basses at m. 25). Basses may double tenors for four measures at m. 45 if a better balance is needed.
